come out

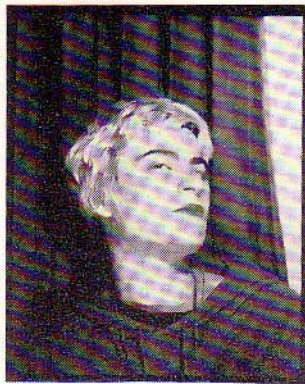

sex kitten

corndolly is amy on guitar and vocals, angie playing the drums, wendy on another guitar, and rachel on bass. we recorded sex kitten and come out at kent whitesell's clubhouse studio in champaign, illinois, in february of ninety-two. amy wrote all the lyrics and of course we wrote all the music. we would love to give our thanks to the parasol house, the blind pig, all our friendly neighborhood bands, and all who have slugged brew doggies with the corn girls. write us at post office box 2441, champaign, illinois 61825. corn equals life and long live mackenzie phillips.
